### Junior Achievement

For the past 5 weeks, our class has been participating in the Junior Achievement Program. This program brings in a professional from the community to teach students about our community and community businesses. Mrs. LesStrang, our former Riverside Principal, has been our Junior Achievement instructor this year. We appreciate all of her help this year and enjoy her time in our classroom!

Our last day of Junior Achievement is Tuesday, April 11th

### Star of the Week!

Each student in our class has had the opportunity to be the Star of the Week. For the rest of the school year, students who are great leaders and role models will be the line leader of our class!

No School Friday, April 14th!
