Upcoming Events!

-2nd Quarter Ends Friday,
January 20th

-No School Monday, January
23rd

-Report Cards go home Friday,
January 27th

Midyear Testing

This will be the last week of midyear testing. The students have done a great job of working hard! I am very proud of their growth so far this year!

Challenge Program Nominations

The D.C. Everest Gifted and Talented Magnet Program is a unique program available to families living within and outside of the district. Families interested in having their child screened for the program simply need to fill out a Gifted and Talented nomination form and submit the form to the school office. The deadline for nominations is February 17, 2017. Nomination forms can be downloaded on the D. C. Everest website.

Discovery Education Science Centers!

This past week, we began working in our Discovery Education Science Centers. The class is really enjoying these hands-on, collaborative centers!

Star of the Week!

Henry P.
