### Upcoming Events!

-Gifted and Talented  
Nominations End February 10.

-Classroom Valentine Party  
February 14.

### Classroom Valentine List

Our Classroom Valentine's Party will be held on Tuesday, February 14th. During our party, students will pass out Valentine's cards. Our class list is provided below. Please send Valentine's Day cards to school in a plastic bag labeled with your child's name. We will store them on the counter until our Valentine Party. Cards should come to school addressed to each child and signed by your child. Students love reading their cards!

### Math Power Packs

In the next week, I will be sending home a ziplock bag of math games on a ring called a Power Pack. The Power Pack has a variety of game cards and a mini ziplock bag of game pieces. The games will not go home on a weekend. Each child will be assigned a day in which the games go home. It will be very important that students remember to return the games back to school the next day so another child can bring it home, as I only have 6 sets for the class. The games are designed to build number sense in grades K-1. Students will need help reading the directions at first. If you do not have time to play the games the night it is brought home, please do not keep it another night. It will go home again the following week.
