Midyear Testing

This week, students will begin midyear testing in reading and math. Some of the tests are taken on an iPad. Other tests are taken one-on-one with the teacher. You may see fewer guided reading books come home the next 2 weeks due to testing.

Tuesday

I will be at a training on Tuesday. There will be a substitute teacher. Please write pick-up or other notes on the home and back sheet for the sub to easily see.

Challenge Program Nominations

The D.C. Everest Gifted and Talented Magnet Program is a unique program available to families living within and outside of the district. Families interested in having their child screened for the program simply need to fill out a Gifted and Talented nomination form and submit the form to the school office. The deadline for nominations is February 17, 2017. Nomination forms can be downloaded on the D. C. Everest website.
