Summer School Registration

The registration packets for summer school were sent home last week. You can register your child online using the user name and password provided on your child's registration packet. If you have questions on what may be appropriate for your child, please let me know. I will send home a class description form this week. I do not believe it was included in the packets.

Science Fair!

The Riverside Elementary Science Fair will be held on Thursday, March 16. Our class will visit the K-4 grade Science Fair during the morning. We will also visit the 5th grade Science Fair in the afternoon! We are looking forward to seeing all the amazing projects!
