1st Grade Track & Field!

Field will begin at 12:45.

Picnic Lunch

On Friday, June 2nd, the whole school will be having a end of the year celebration with bounce houses, games, and other fun outdoor activities. A slip went home this past week to order a cold lunch from school or bring a lunch from home, as the gym will be occupied and lunch will be eaten outside. Please have your slip turned in by Wednesday, May 17th. If you lost your form, please send me an email or write me a note on your child's home and back sheet.

End of the Year Testing!

This is the last week of end of the year testing. I will be administering the last tests on Thursday and Friday of this week. If you know your child will miss Thursday or Friday of this week, please let me know. I can give your child the tests earlier in the week.
