1st Grade Track & Field!

On Wednesday, May 24th, the 1st and 2nd Grade students will be participating in Track & Field. It will begin at 12:45 and conclude around 3:30. Students will travel in grade leveled groups to 7 different events. Students should wear running shoes and work-out clothing. The event will start on the playground, outside by the Kindergarten doors. Parents and Grandparents are welcome to come! If you are taking your child home, please check out with me before you leave. I will have a clipboard. You will also need to sign out in the office. If you choose to put sunscreen on your child, please to do not share it with other children for allergy reasons.

If you would like to come for lunch before Track and Field, lunch will be from 11:55-12:10, with recess following from 12:10-12:40. We are hoping for good weather!

Guided Reading Books

On Friday, May 26th, I will collect all of the school guided reading books. The books need to be collected earlier for inventory. After May 26th, I will send home 1 of my guided reading books nightly, which will be switched out daily. Please check around your house this week for any left behind books.

Guest Speaker

Last week, Katelyn Schmol, the Fairest of the Fair, visited our classroom. She told us all about the events at the fair. In the past, she has shown steers and sheep. A coloring contest went home that can be mailed to the Fair Office to win a ribbon or rides at the fair.

Summer Birthdays!

If your child has a Summer birthday, and would like to celebrate it at school, please write me a note or send me an email. We will celebrate it before the end of the school year!
