Kids Vote!

On Election Day, our class participated in the Kids Vote to learn about the election process. We also voted for our favorite M&M. The plain M&M's won!

No Parent Letter Next Week!

Star of the Week!

Classroom Winter Party

In the spirit of the Thanksgiving holiday and Black Friday shopping, I wanted to give parents a heads up on our classroom Winter party. This year, our class will exchange gifts for our classroom Winter party. The gifts can be toys, books, movies or games. The gifts can range from \$3-\$5. The gifts should come to school wrapped with a tag labeled: To: Girl From: Your Daughter's Name or To: Boy From: Your Son's Name. Boys will pick boy gifts and girls will pick girl gifts. We will play a game to exchange gifts on the day of the party. They can be brought to school and placed under our classroom Christmas tree any time after Thanksgiving break. If money is a problem, please let me know and I will make sure your child can still participate. I wanted parents to know early so they can take advantage of Black Friday sales!
