It contains:

- Class schedule
- Parent Letters
- Book Order Information
- Online Educational Game Links

### Classroom Information

I just wanted to send home a few notes to begin our school year. If you have questions, please don't hesitate to email or contact me.

A "Home and Back" sheet will be found in your child's green folder. (The green folder should return to school daily.) Please sign the parent signature. (If you miss a day, don't worry!) I stamp this every morning and check for parent notes. Please use the blank in the middle to write special pick-up notes or questions. If you are picking up your child, please write me a note and I will send your child to the lobby after school. If I don't have a note, your child will be in their bus line outside. If you pick-up daily, you can just send me one note for the year. I have included a "Home and Back" sheet for you, in case you need to write me a note for the 1st day of school. I am really looking forward to working with you and your child this year!

### Book Bags

Your child will bring home a ziplock bag with a paper book in it on the 1st day of school. In the future, it will hold guided reading books. In the beginning of the year, the paper books are to help the students practice bringing their book bags home and to school. (Please do not put library books in this bag. The bags need to last for a quarter.) Books bags should go home and return to school daily.

The paper books do not reflect your child's reading level. Once reading testing is finished in the first couple weeks, your child will be taking home appropriate level books. Please continue reading books at home until that time.
