Monday, September 26

-Mornings with Mom
Tuesday, September 27
7:45 - 8:25

-Daybreak with Dad
Thursday, September 29
7:45 - 8:25

Using Tens Frames in Math!

A quick note:

I will be attending a training on Tuesday, September 27. Since I will be out of the building, please email me if you have any concerns.

My sub will read notes on Home and Back Sheets and I will get back to you on Wednesday.

WIN GROUPS

This past week, the 1st graders began WIN time. This stands for "What I Need". Students in each 1st grade class are grouped by ability levels in reading and participate in a 30 minute session to increase their literacy skills at their level. The students enjoy going to different classrooms to learn and work with a new group of students. Students work on reading, word building, writing, research, and author studies.

Star of the Week!

Bella M.
